RESTAURANT INFORMATION

What is the Providence Rotary Street Painting Festival?

It's a full day of fun, artistic expression and art appreciation as hundreds of artists of all ages create imaginative chalk 'paintings' on the skating rink floor in Downtown Providence. Here's a sample of what it looks like:

Each artist is assigned a space as his or her 'canvas' and supplied with artist grade pastel chalk. Visitors watch in amazement as the blank surfaces come to life with a huge variety of beautifully detailed images. Family and friends of the artists as well as everyone attending the festival can vote for "People's Choice" awards by purchasing \$1 tokens from Rotary volunteers and placing them in containers next to the paintings they like best. In addition, cash prizes from a pool of \$2,000 and gift certificates to area venues are awarded to the best 'paintings' and those with an Environmental theme as determined by a panel of judges.

The Providence Rotary Street Painting Festival is an opportunity for amateur and professional artists to display and gain recognition for their talents and for thousands of Providence area residents to view and enjoy their work on a beautiful autumn day.

In addition to Street Painting, this year's family fun festival plans include live music by World Premier at 1:00 PM and 3:00 PM and events for children!

The Rotary Club of Providence commemorates Rotary International's Theme for 2011-2012 - Reach Within to Embrace Humanity; The Rotary Club of Providence's 100th Anniversary, and Providence's 375th Anniversary Celebration.

Who benefits from the festival?

Proceeds from the festival benefit the Providence Rotary Charities Foundation, a 501(c)(3) organization. The Foundation makes grants each year to organizations that enrich the lives of underprivileged children in and around Providence. Thousands of inner city kids have benefited from programs supported by the Foundation. Grant recipients for 2011 are listed on the next page.

What do restaurants receive by participating?

Restaurants who participate in offering some of their delicious samplings at the Providence Rotary Street Painting Festival receive exposure by having many potential patrons tasting their cuisine, the name/logo of their restaurant on festival publications, and their restaurant prominently associated with a premiere event that attracts families, supports the arts, and benefits one of the city's most worthwhile charities. As an annual event that is growing in popularity, we envision the turnout to be overwhelming. Don't give up the chance to discover new patrons!

Please sign up today to reserve one of a limited number of spaces where you can make new friends, gain new customers, and help support important local charities by offering samples of your best cooking.
